PROFILE

Full Stack Developer | AI-Assisted Development

Motivated Full Stack Developer with strong hands-on skills in **HTML, CSS, JavaScript, React.js, and TypeScript**, with intermediate knowledge of **Python** and modern web development practices. Experienced in building responsive, user-friendly web applications and integrating frontend components with backend services.

Comfortable using **AI-assisted development tools** to accelerate coding, debugging, problem-solving, documentation, and application development. Able to understand requirements, design application workflows, develop features, troubleshoot issues, and improve existing applications with the support of AI tools.

Technical Skills:

- **Frontend:** HTML5, CSS3, JavaScript, React.js, TypeScript
- **Programming:** Python — Intermediate
- **Backend:** Node.js, Express.js
- **Database:** MongoDB / MongoDB Atlas
- **Development:** RESTful services, CRUD operations, authentication, responsive web design
- **AI-Assisted Development:** AI-powered coding, debugging, code generation, project planning, documentation, and feature implementation
- **Tools:** Git, GitHub, VS Code

Key Strengths:

- Building complete web applications from frontend to backend
- Developing responsive and interactive user interfaces
- Working with React.js and TypeScript
- Creating server-side functionality using Node.js and Express.js
- Working with MongoDB databases
- Using AI tools effectively during software development
- Debugging and improving existing applications
- Learning and adapting quickly to new technologies

EMPLOYMENT HISTORY

Intern

May 2026 — Jun 2026

Ascentes Technologies

Completed Artificial Intelligence and Machine Learning program from 25th May to 1st of June

EDUCATION

B.E- COMPUTER SCIENCE ENGINEERING , SRI SHAKTHI INSTITUTE OF ENGINEERING AND TECHNOLOGY

Coimbatore

Sept 2024 — Present

Percentage:85%

SSLC, SVN Matriculation Higher Secondary School

Coimbatore

Feb 2021 — May 2022

SSLC-State Board

Percentage:79.8%

HSC, SVGV Marticulation Higher Secondary School

Coimbatore

Jun 2023 — Mar 2024

HSC- State Board

Percentage: 82.5%

EXTRA-CURRICULAR ACTIVITIES

College Events, Organised and Managed

Coimbatore

Mar 2026 — Mar 2026

Planned and managed the college's flagship 3-day event, overseeing a 24hour hackathon and an accompanying workshop. Coordinated event schedule, volunteer teams, participant registration, venue logistics, and technical setup to ensure smooth execution across all three days.

PROJECT

Attendance Tracker

Developed a web-based attendance management system to record, track, and calculate student attendance efficiently.

PromptCraft AI

Developed a web application to create a website using AI and copy those things in the in a whole zip and be able to run the project and it is an enhanced version and very for students to be used
